The Year in Review

You are one of 2,219 St. Mary's University community members who chose to give back in support of our students. Your gifts provide students with opportunities for internships, research and mentorship from faculty and staff who are passionate about passing on a Catholic and Marianist St. Mary's education.

Thank you for taking an active role in our community.

Rattlers Helping Rattlers

This spring, many students were hit hard by the financial challenges presented by the COVID-19 pandemic. The response by alumni, friends, faculty and staff to come to their aid was overwhelming. The St. Mary's community continues to inspire a family spirit that is transcendent.

Thank you for your generosity during these uncertain times.
